

**Charlene A. Friedman**

**CFO**

***Friedman Real Estate Group***

Charlene Friedman is the Chief Financial Officer and Executive Certified Property Manager for the management division of Friedman Real Estate Group in State College. She is responsible for developing the firm's property management policies, procedures, and delivery of its Services, as well as the firm's goals and objectives, training, and supervision of its property managers and staff.

Ms. Friedman has been involved in property management and commercial real estate as a licensee and broker since 1978. She has served in many capacities, including trust auditor, accounting supervisor, comptroller, and Chief Financial Officer, and she has been responsible for the supervision of over 1,500 residential units as well as commercial and office space.

Ms. Friedman is a certified property manager of the Institute of Real Estate Management and a certified commercial investment member of the Commercial Investment Real Estate Institute, an accredited buyer's representative of the Real Estate Buyers Agent Council, and she holds the At Home with Diversity: One America certification of the National Association of REALTORS®. She is also past President of the Central PA Chapter 96 of the Institute of Real Estate Management. She previously served on the Centre County Housing Authority Advisory Commission and is past President of both the Downtown State College Partnership and the Centre County Association of REALTORS®. In 2000, she was honored as the Centre County REALTOR® of the Year. She is a certified instructor for the PA Association of REALTORS® and a member of the Early Learning Investment Commission.

Charlene Friedman received a B.S. from Seton Hall University and has done post-graduate study in accounting at both the University of Oregon and Penn State University.
