

Alan J. Ottinger
President
QIC, Inc.

Alan J. Ottinger is co-founder and President of QIC Inc. QIC Inc. was founded in 1981 as a manufacturer of precision castings. Producing stainless steel and other corrosion and heat resistant alloys for the pump, valve and related industries QIC established a strong reputation for quality and responsiveness. In 2004, after growing to a 3-shift, \$6MM annual revenue operation QIC was acquired by PPCP in Lebanon, PA. After a successful transition of the customer base Mr. Ottinger transitioned into business coaching with ActionCOACH. He continues to work with numerous small and medium-size business leaders enabling continued growth and professional development for all involved.

Mr. Ottinger has served in leadership roles in many community organizations including Fleetwood School Board, H2 Jamaica, Fleetwood Rotary Club, Engineers Without Borders Lehigh Valley Professional Chapter, and St. Paul's Lutheran Church in Fleetwood.

Mr. Ottinger graduated with honors from Lehigh University with a BS in Metallurgy and Materials Science.
