

Andrew B. Williford
Vice President, Human Resources
Volvo Construction Equipment Operations Americas

Andy Williford is Vice President of Human Resources for Volvo Construction Equipment Operations Americas. His human resources experience includes international human resource consultation on a number of expansion/integration projects in heavy industry, in addition to significant experience as a human resource generalist.

Mr. Williford is a graduate of Leadership Asheville and was previously a board member with Kids Voting in Buncombe County, the Western NC Industrial HR Association, Girl Scouts of Western NC, Haywood County Schools Foundation, and the NC Teaching Fellows. He is a member of the South Central Workforce Investment Board and also serves on the Early Learning Investment Commission.

Andy Williford earned a Bachelor's from Auburn University and a Master's in Public and Private Management from Birmingham-Southern College. He holds an SPHR certification, a certificate in Strategic Human Capital Management from Cornell University, a certificate in HR strategy from UCLA Anderson School of Management, and a certificate in HR leadership from UNC Chapel Hill - Keenan Flagler Business School. He also has a Lean Manufacturing and Six Sigma "black belt," having completed the program with the University of Tennessee.
